Story

After a long time, the story of the manga is finally revealed.

The story is about a girl who is very beautiful and has a very high status in the school. She is the daughter of a very rich family and is very popular among the boys. However, she is also very lonely and has no one to talk to.

One day, she meets a boy who is very ugly and has a very low status in the school. She is attracted to him and starts to talk to him. They become friends and she starts to like him.

However, her parents and the other boys in the school don't like him. They think he is ugly and stupid. They try to stop her from talking to him, but she doesn't listen to them.

Finally, she decides to leave the school and go with him. She is very brave and doesn't care what people think of her. She is a very strong girl and she will do whatever she wants to do.
